Dear Sirs:

Have learned that there is to be considered
the placing of a bust of Marquis De Lafayette, in the
Hall of Fame.

Lafayette, as you know, was made a citizen
of Maryland and later on a citizen of New York City,
thus becoming a citizen of the United States. This
honor by Legislation applies also to his descendants.

Favorable action by your Committee would
be greatly appreciated by the American Friends of
Lafayette.

Respectfully yours,

Louis Annin Ames
